[A GMC service manual is the go-to guide for those working on any of the variety of SUVs, trucks, and crossovers that GMC produces. GMC's earliest truck models were built with capacities ranging from 3/4th ton to 2-tons and by 1917, began supplying the US Army with over 9,500 trucks for World War 1. Though many think of an electric car as a new concept today, GMC created some of the world's...](#)
